

Clarissa Brockway

Solutions Architect and Web Developer

+1 214-850-2507

Based in Brooklyn, NY

clarissa@clarissabrockway.com | clarissabrockway.com

Skills:

Salesforce Commerce Cloud, HTML, CSS(3), SASS, SVG, jQuery, Git, SVN, WordPress, Photoshop, eCommerce, responsive design, and cross-browser compatibility.

Education:

University of Texas at Dallas, Texas. Bachelor of Arts in Arts and Technology - May 2010.

Senior Front-End Architect – Diane von Furstenberg **2015-Present**

- Architecting and developing eCommerce solutions using the Salesforce Commerce Cloud platform
- Managing internal and third-party developers
- Optimizing internal systems such as build servers and automated reports
- Leading and assisting with third-party integrations (e.g. Bazaarvoice, Cosmic Cart)
- Assisting teams internally with Salesforce platform management and troubleshooting

Senior Front-End Developer – PFSweb **2011-2015**

- Implemented Demandware eCommerce solutions for domestic and international brands including Starbucks, Alexander & James, and the US Mint.
- Presented improvements to the code base (e.g. responsive design solutions) and executed them successfully.
- Lead fellow teammates throughout implementations by distributing tasks and providing feedback.
- Attended CSS/design conferences and shared what I learned with my team.
- Encouraged team building within my department via party planning and birthday event planning year-round.

Web Designer/Front-End Developer - WSI Internet Consulting **2010-2011**

- Built and edited sites for local businesses on various platforms including Wordpress, DNN, and eFusion.
- Optimized sites for search engines.
- Designed graphics for both web and print.

Web Designer/Front-End Developer - MODassic Marketing **2010**

- Augmented websites with PHP and jQuery to increase their functionality and visual appeal
- Revised and restructured existing designs in order to optimize them for WordPress.
- Communicated with clients and superiors to achieve the best possible results.

Web Design Intern - Mi Escuelita Preschool **2009**

- Assessed existing website in addition to needs of the organization and site visitors.
- Rebuilt the entire site and designed original icons, buttons, and banners.
- Participated in the ExxonMobil Community Summer Jobs Program.
